Brad Christ believes in keeping taxes low, supporting law enforcement, promoting business-friendly policies, and upholding the commonsense conservative principles that make St. Louis County a great place to live and raise a family.

BRAD'S RECORD OF RESULTS

- **Public Safety:** Sponsored HB 495 to restore state oversight of the St. Louis Police Department—helping reduce crime and make neighborhoods safer.
- **Tax Relief:** Cut income taxes by over \$1 billion and eliminated the capital gains tax, delivering relief for families and small businesses.
- **Responsible Budgeting:** Balanced the budget and reduced state spending for the first time in over a decade, saving \$1.3 billion for Missouri's rainy day fund.
- **Jobs & Growth:** Helped make Missouri the #1 state for net job growth in 2024 by cutting red tape and fostering pro-business policies.
- **Protecting Seniors:** Froze property tax assessments for homeowners over 62, shielding seniors from 200–300% tax hikes.
- **Community Roots:** Lifelong St. Louisan, husband to Erin, and father of four—grounded in faith, family, and service.

MISSOURI'S EMISSIONS TESTING: BROKEN, EXPENSIVE, NEEDLESS.

Every year, families in St. Louis County waste countless dollars and hours on emissions testing for their vehicles.

However, only 2% fail these tests, while 750,000 Missouri drivers are forced to foot the bill for state emissions testing.

But **EVERYONE** pays the price! They're not just inconvenient, they are unnecessary.
